Local Flight Out-Bound:

Aspen Ground Diamond Star N_____ on the North Ramp ready to taxi to run-up with information __, requesting Down-Valley Departure.

Diamond Star N_____ Aspen Ground taxi to run-up via **A** hold short at ____, expect down-valley departure.

Taxi to run-up via A hold short at ____, expect down-valley departure Diamond Star N_____.

Diamond Star N_____ continue taxi to run-up via **A**.

Continue taxi to run-up via A Diamond Star N_____.

-After Run-Up Complete-

Aspen Ground Diamond Star N_____ run-up complete.

Diamond Star N_____ Aspen Ground Taxi Runway **33** via **A**

Runway 33 taxi via A Diamond Star N_____.

-Switch to Tower Frequency when Holding Short-

Aspen Tower Diamond Star N_____ holding short Runway **33 ready for take off (for Down-Valley departure / remaining in the pattern).**

Diamond Star N_____ Aspen Tower hold short runway **33**.

Hold Short Runway 33 Diamond Star N_____.

Diamond Star N_____ (Down-Valley departure approved / make right closed traffic) runway **33** cleared for take off.

(Make right closed traffic / Down-valley departure approved) runway **33 cleared for takeoff Diamond Star N_____.**

Local Flight In-Bound:

Aspen Tower Diamond Star N_____ 10 miles _____ (N,S,E,W) over (East/West Maroon / Ruedi Reservoir / Independence Pass / Woody Creek) inbound for (the option/ full stop) with information _____.

Diamond Star N_____ Aspen Tower report 5 miles _____ (expect cross midfield for) right traffic runway 33.

Report 5 miles _____ (expect cross midfield for) right traffic runway 33 Diamond Star N_____.

-When 5 miles N,S,E,W-

Aspen Tower Diamond Star N_____ 5 miles _____.

Diamond Star N_____ Aspen Tower number _____ traffic to ahead of you is a _____ (5 mile final runway 15).

Looking for Traffic Diamond Star N_____.

Aspen Tower Diamond Star N_____ has traffic in sight.

Diamond Star N_____ runway 33 (cleared for the option/cleared to land).

Runway 33 cleared (for the option/ cleared to land) Diamond Star N_____.

Diamond Star N_____ right turn _____ taxi via non-movement monitor ground point niner.

Right turn _____ taxi via non-movement monitor ground point niner Diamond Star N_____.

Uncontrolled Fields

(Location) Traffic Diamond Star N____ 10 miles to the ____ (N,S,E,W) inbound for a (straight in/ overfly midfield 500' above pattern alt, right teardrop left downwind / 45 left downwind entry) runway ____ (Location).

(Location) Traffic Diamond Star N____ 5 miles to the ____ inbound for a (straight in/ overfly midfield 500' above pattern alt, right teardrop left downwind / 45 left downwind entry) runway ____ (Location).

(Location) Traffic Diamond Star N____ 3 miles to the ____ inbound for a (straight in/ overfly midfield 500' above pattern alt, right teardrop left downwind / 45 left downwind entry) runway ____ (Location).

-If overfly midfield 500' above pattern alt, right teardrop left downwind (see next two entries)-

(Location) Traffic Diamond Star N____ overflying midfield 500' above runway ____ (Location).

(Location) Traffic Diamond Star N____ right teardrop for left downwind runway ____ (Location).

-Once you are midfield left downwind (either from teardrop or 45 to left downwind)-

(Location) Traffic Diamond Star N____ midfield left downwind (runway number) (Location).

-Calls while in the pattern or leaving the ramp/pattern-

(Location) Traffic Diamond Star N____ on the go (Runway number) (Location).

(Location) Traffic Diamond Star N____ left crosswind (runway number) (Location).

(Location) Traffic Diamond Star N____ left downwind (runway number) (Location).

(Location) Traffic Diamond Star N____ left base (Runway number) (Location).

(Location) Traffic Diamond Star N____ on final (Runway number) (full stop/touch and go) (Location).

(Location) Traffic Diamond Star N____ clear of (Runway number) taxiing to the ramp via ____ (Location).

(Location) Traffic Diamond Star N____ taxiing to Runway ____ via ____ (location).

(Location) Traffic Diamond Star N____ crossing runway ____ at ____ (Location).

(Location) Traffic Diamond Star N____ departing runway ____ (remaining in the pattern/to the ____) (Location).

(Location) Traffic Diamond Star N____ departed to the ____ last call (Location).
